

Dear Karolina,

We would like to formally thank you for the hard work, dedication and talent you showed during the recent UEFA EURO 2020 Remote Translation Project.

The EURO was yet another major tournament project for Blue Whale Global Media, with over 250 professionals involved and nearly 2000 individual translation jobs handled.

We sincerely hope you enjoyed the project as much as we did: everyone who worked on it was an invaluable part of the success, helping us to maintain the standard of quality and professionalism that our clients UEFA expect.

Below you will find a Letter of Recommendation from us that you are welcome to use in job applications or on your LinkedIn page.

Thank you once again for all your efforts over the past two months and we look forward to working with you on more translation projects either during the regular season or at another tournament!

Yours sincerely,

Joseph Terry, on behalf of Blue Whale Global Media:

LETTER OF RECOMMENDATION

To Whom It May Concern:

This letter is my personal recommendation for Karolina Łachmacka, who was a key member of the EURO 2020 Remote Translation Project that we managed on behalf of UEFA.

Karolina stood out for the quality of her translation, transcription and proofreading, as well as her level of English, football knowledge and speed of delivery. Furthermore, she is a team player, who wholeheartedly bought into the spirit of cooperation and collective endeavour that this project demands.

We strictly require candidates who can work under pressure and adapt to our innovative workflows and use of technology. I am pleased to confirm that Karolina truly is one of those people and I would happily recommend her for any future position.

Yours faithfully,

Joseph Terry
